# WELCOME TO WEST FELICIANA PARISH

---

West Feliciana Parish, nestled in the rolling hills of Louisiana, is a destination that blends natural beauty, rich history, and Southern charm. Known for its historical significance, scenic landscapes, and vibrant culture, this area offers visitors a tranquil escape from the hustle and bustle of modern life. With its picturesque streets, draped in the shade of centuries-old oak trees, St. Francisville, the only town in the parish, invites travelers to find their inspiration and experience the essence of Southern hospitality.

West Feliciana Parish, of which St. Francisville is the heart, boasts a diverse and lush environment that appeals to nature enthusiasts and outdoor adventurers alike. The parish is home to numerous outdoor recreation areas, including the popular Tunica Hills Wildlife Management Area, where hiking, birdwatching, and exploring the unique topography are favorite pastimes. The region's commitment to preserving its natural beauty is evident in the vibrant gardens, rolling hills, and abundant wildlife that define the landscape.

History is woven into the fabric of St. Francisville and West Feliciana Parish, with the area playing a significant role in Louisiana's antebellum past. Visitors can explore historic sites, such as Oakley House, Rosedown and The Myrtles, where the tales of the past are brought to life through guided tours and historical demonstrations.

Beyond its historical and natural allure, St. Francisville is also a hub for local arts, cuisine, and festivals that showcase the spirit of the community. Whether it's sampling farm-to-table dishes at a local restaurant, browsing through charming boutiques and art galleries, or enjoying one of the many annual festivals, visitors will find that St. Francisville and West Feliciana Parish will inspire them with its warm and inviting atmosphere that embodies the best of Louisiana's traditions and vibrant culture.
